Slave Shunt for ABCn 130nm

February 2010

Mitch and Nandor
Shunt Slave for 130nm Designs
DC Simulations

Vary Control Current

Control current

Module current
Full Scale control range

Module current
Vdd regulation Range

Module Shutdown Current

Control Voltage
Shunt Response Time

![Graph showing control voltage and shunt current over time](image)
Status Feb 1

Schematic Simulations done
Needs to be put into Cadence Layout
